Use this product only as directed on the label. Do not use near water or in wet areas. Do not contaminate water, food, feedstuffs, food or feed handling equipment, or milk or meat handling equipment or facilities that come into direct contact with food. When used in USDA inspected facilities, this product must be applied to tamper-resistant bait stations. Do not broadcast bait. Bait may be removed from stations and placed in a feeding device that secures the unwrapped bait in a bait shield. Do not apply near wildlife. See side panels for First Aid and additional precautionary statements.

**User Safety Requirements**

Follow manufacturer’s instructions for cleaning/maintaining PPE. If so instructed for washables, use detergent and hot water. Keep and wash PPE separately from family laundry. Remove PPE immediately after handling bait stations. Wash exposed skin with soap and water after handling bait stations. Thoroughly wash and rinse all equipment, including bait stations, before reusing.

**Environmental Hazards**

This product is extremely toxic to birds and other wildlife. Dogs, poultry, and certain small mammals may die if they ingest a lethal dose of this product. Do not apply this product directly to water or to areas where surface water is present or to intertidal areas below the mean high water mark. Rates may be hazardous to aquatic organisms in non-tidal areas to toxic to aquatic organisms. Do not apply this product to bodies of water. Use equipment, wear personal protective equipment, maintain application equipment, and maintain application equipment. See side panels for instructions on removing this product from stations.

**Keep Out of Reach of Children. Caution**

See side panels for First Aid and additional precautionary statements.

**STORAGE AND DISPOSAL**

Do not contaminate water, food by storage or disposal.

**Pesticide Storage**: Store only in original container in a cool, dry place inaccessible to children and pets. Keep containers closed and away from other chemicals.

**Pesticide Disposal**: Waste resulting from the use of this product may be placed in trash or delivered for disposal at an approved waste disposal facility. See side panels for information on approved waste disposal methods.

**Environment Handling/Container Handling:**

Do not reuse or refill container. (Plastic) Do not leaching or accretion unless in disposal of a sanitary landfill or by incineration. In most states, burning is not allowed. (Paper) Dispose of empty container by disposing of it in an approved waste disposal facility. Do not incinerate. In most states, burning is not allowed.

**Warranty:** To the extent consistent with applicable law, seller makes no warranty, express or implied, concerning the use of this product other than that the product is fit for the label use. Buyer assumes all risk of use of this material within such use and handling and is contrary to its label instructions.

**Permitted for use against the following species in California: Cotton rat, Eastern brown mouse, Golden mouse, Polymer rat, White-breaded rat, Southern plains mole, and Mexican woodrat.**
CONTRAC® SOFT BAIT

The ONLY SOFT BAIT WORTHY OF THE NAME CONTRAC®
