

ZP®

WITH ZINC PHOSPHIDE

BELL'S FASTEST ACTING RODENTICIDE

BAIT FORMS

**TRACKING
POWDER**

PELLETS

OATS

PRODUCT FEATURES

- A restricted use pesticide containing the acute active ingredient zinc phosphide
- Mice ingest ZP tracking powder while grooming, making it ideal for use when bait acceptance is poor*
- Controls a variety of pests, including ground squirrels, gophers, mice, rats, prairie dogs and voles
- Made with high quality ingredients so bait can compete with natural food sources
- Versatile bait label: broadcast in orchards, vineyards, and nurseries; can hand-bait in non-crop areas for ground squirrels and voles
